Definition of Legal Blindness in Massachusetts

Legal blindness is defined as central vision (or acuity) of not more than 20/200 in the better eye with correction (glasses), or as having peripheral fields (side vision) of no more than 20 degrees diameter or 10 degrees radius.

Agencies and Organizations

**Access Center
Boston Public Library, Copley Square
700 Boylston Street
Boston, MA 02114**

Phone: (617) 536-5400 x2295
TTY: (617) 536-7055
Email: lharris@bpl.org
Web: www.bpl.org

The center offers special materials, formats, equipment and personnel to serve library patrons with disabilities.

**Braille & Talking Book Library
Perkins School for the Blind
175 North Beacon Street
Watertown, MA 02472**

Phone: (617) 972-7240 or (800) 852-3133 (New England only)
Fax: (617) 972-7363
TTY: (617) 972-7690
Email: library@perkins.org
Web: www.perkinslibrary.org

The library provides talking books and playback equipment, audio described movies, large print, braille materials and downloadable audio books to individuals unable to read regular print due to a visual, physical or reading disability. Institutions providing services to individuals with disabilities are also eligible for the program.

Other services include reference, reader advisory services, the Newslime program (telephone-based access to daily newspapers), foreign language materials, children and young adult programming and services, and presentations to community groups. Offers several newsletters including *Dots & Decibels*, *PerKIDS* and *El Narrador* (in Spanish), operates a braille repair program, a CCTV loan program and has in-house adaptive computer equipment available for borrowers use. Fee-for-service braille production and digital audio recording services are also available.

Carroll Center for the Blind
770 Centre Street
Newton, MA 02458

Phone: (617) 969-6200 or (800) 852-3131

Fax: (617) 969-6204

Email: info@carroll.org

Web: www.carroll.org or www.carrolltech.org

The Carroll Center for the Blind offers a wide variety of services to people of all ages who are blind or visually impaired. Services are available both at the Carroll Center and in the community. Services provided include:

- The Residential Rehabilitation Program provides intensive training in daily living, travel and communication skills for adults whose vision loss is affecting their independence. Special programs are available for elders.

- The Computer Training Services Program offers instruction in the use of speech, large print and braille access software and hardware to individuals of all ages who are blind or have low vision, or professionals in the field of blindness. Training takes place at the Carroll Center's Technology Center, at the home, office or classroom of the client or online through the Carroll Tech distance learning program.
- The Community Mobility Program provides instruction in safe travel skills to individuals of all ages at home, work or school.
- The Educational Services Program provides school consultation services, student evaluation and professional development courses, and itinerant teachers of the visually impaired who deliver direct instruction.
- Job Placement Services offers clients resources, support and guidance for those seeking employment, or who need worksite adaptations or consultation in order to remain on the job.
- Summer programs are offered to youth ages 8-22 from June-August including: the Youth-In-Transition Program, focusing on social development and independent living readiness; the Real World of Work Program emphasizing work experience in the community; the Computing for College program helps college-bound youth in improving their computer skills and preparing for college life; and Carroll Kids / Teens provides enrichment opportunities for school-age children.
- Outdoor Recreational Programs include: sailing, hiking, canoeing, skiing, and tandem biking. Adaptive techniques are taught with the help of trained volunteers, and participants can enjoy local and overnight trips throughout New England.

- The Carroll Center Store sells a wide range of adaptive devices and products such as white canes, talking and braille watches, timers, clocks, labeling supplies and much more.

**Deafblind Contact Center
215 Brighton Avenue
Allston, MA 02134**

Phone: (617) 254-4925 (TTY/VCO)
Relay: 711
Email: DBCC_MA@yahoo.com

The center provides social/recreational activities and SSP (support service provider) volunteer services during events for people who are deafblind. Training and education about deafblindness is also provided.

**Descriptive Video Service (DVS)
WGBH Educational Foundation
One Guest Street
Boston, MA 02135**

Phone: (617) 300-3490 or (800) 333-1203 (DVS info line)
Fax: (617) 300-1035
Email: access@wgbh.org
Web: access.wgbh.org

WGBH's Descriptive Video Service, part of the Media Access Group at WGBH, provides video description for all types of media, from public and commercial television programs to DVDs to first-run and IMAX films. DVS also works with organizations and individuals to increase the availability of description through marketing efforts within the media industry and advocacy within the disability community.

Digilife Media
1 Bryant Avenue
Bradford, MA 01835

Phone: (978) 914-4601
Email: info@digilifemedia.biz
Web: www.digilifemedia.biz

Digilife Media creates accessible digital alternative formats of print based hard-copy and inaccessible digital materials for educational institutions, government agencies, and corporations. In essence, anyone who needs hard copy text, or even electronic files, adapted to a more suitable format for use by individuals with print related disabilities.

Greater Boston Guild for the Blind (GBGB)
1980 Centre Street
West Roxbury, MA 02132

Phone: (617) 323-5111
Fax: (617) 323-6687
Email: info@gbgb.org
Web: www.gbgb.org

GBGB provides personal support and rehabilitation for adults who are visually impaired or legally blind. Clients age 50 and over from eastern and Central Massachusetts are served through center-based or community programs. GBGB also offers the following programs:

- The Adult Day Health program offers a variety of daily activities, featuring pottery/ceramics, woodworking, music, sewing, & crafts. Special events compliment the program, along with classes in orientation and mobility. Daily living skills are covered including adaptive cooking, medication organization, aids for reading/writing, money management and more. A nurse, social worker and activity assistants comprise the team, which provides case management along with the client's primary care team. Coordination of door-to-door transportation and a hot meal are provided.

- Community-based education programs (short-term, comprehensive, group programs) focus on vision rehabilitation, health education, information/resources and counseling.
- The Adaptive Technology Center is equipped with hardware and software capable of producing large print, braille and/or speech output. Evaluation and training services are provided.
- The Diabetes Outreach and Education Program increases awareness about diabetes and diabetes related services. Through education, clients learn how to reduce the risk of complications such as blindness and kidney disease.
- In-home rehabilitation and training services are also available for blind and visually impaired adults, to restore or improve independent functioning and increase safety in activities of daily living at home.

**Helen Keller Center for Deaf-Blind Youth and Adults
(HKNC)
New England Regional Office
152 Lincoln Road, PO Box 266
Lincoln, MA 01773**

Phone: (781) 259-7100 (Voice/TTY)

Fax: (781) 259-4014

Email: HKNC1mab@aol.com

HKNC provides evaluation, counseling, training, placement and related services for youth and adults who are deafblind.

**Lowell Association for the Blind (LAB)
169 Merrimack Street, 2nd Floor
Lowell, MA 01852**

Phone: (978) 454-5704
Fax: (978) 458-5563
Email: labinfo@lowellassociationfortheblind.org
Web: www.lowellassociationfortheblind.org

The LAB Adult Program provides social, educational and recreational activities, adaptive computer training, information and referral, and braille instruction. Youth Programs are available for ages 5 and up, as well as the VIP (Visually Impaired Partners) mentoring Program; the BEST Program (Blind Exploration of Science and Technology), and the STEP (Senior Teen Employment Program) offers teens an opportunity to explore a variety of careers with paid internships. The LAB/TIC Radio Reading affiliate offers programming five days a week. LAB is also an authorized agent for the Massachusetts Equipment Distribution Program.

**MAB Community Services
(Formerly Massachusetts Association for the Blind)
Administrative Headquarters
200 Ivy Street
Brookline, MA 02446**

Phone: (617) 738-5110
Email: benglish@mabcommunity.org
Web: www.mabcommunity.org

**Greater Boston
313 Pleasant Street, 2nd Floor
Watertown, MA 02472**

Phone: (617) 926-4232
Fax: (617) 926-1412

**Central Massachusetts
799 Boylston Street
Worcester, MA 01606**

Phone: (508) 854-0700 or (888) 613-2777
Fax: (508) 854-0733

**Western Massachusetts
267 High Street
Holyoke, MA 01040**

Phone: (413) 734-7343

Fax: (413) 747-7224

MAB Community Services offers a variety of programs and services to several populations.

- The Developmental Disabilities Program provides residential and vocational services to adults with developmental disabilities.
- The Orientation and Mobility Program provides travel training to adults with vision loss and developmental disabilities in Southeastern Massachusetts. Referrals are made through the Department of Mental Retardation.
- Brain Injury Services for adolescents and adults through residential programs provide special education and rehabilitation services to people with acquired brain injuries.
- Vision Community Services provides assistance to people coping with sight loss. Services include self-help support groups coordinated by visually impaired peer leaders; and training in elders' homes. Information and referral, volunteer readers and shoppers, and education and outreach are also provided.

**MABWorks
51 Spring Street
Watertown, MA 02472**

Phone: (617) 926-7026

MABWorks is an employment training program in Watertown for adults with a variety of disabilities.

**Massachusetts Braille Literacy Advisory Council (BLAC)
C/O Perkins Braille and Talking Book Library
175 North Beacon Street
Watertown, MA 02472**

Phone: (617) 972-7249

Fax: (617) 972-7363

The BLAC is a 9-member advisory council, appointed by the Board of Education, which provides policy advice and guidance to the Massachusetts Department of Elementary and Secondary Education on various aspects of implementation of the Massachusetts Braille Literacy Act. Areas covered include braille instruction, literacy assessment for students with visual impairments, teacher certification and recertification, MCAS testing, and availability of instructional materials and braille production activities.

Phone: (617) 727-6465 (V/TTY) or (800) 245-0062 (V/TTY)
Fax: (617) 727-6469

DPPC is an independent state agency whose purpose is to investigate and remediate cases of abuse of the Commonwealth's most vulnerable citizens. DPPC's mission is to protect adults with disabilities from the abusive acts or omissions of their caregivers through investigation, oversight, public awareness and prevention.

**Massachusetts Bay Transportation Authority (MBTA)
Office of Transportation Access
Ten Park Plaza, Suite 4730
Boston, MA 02116**

Phone: (617) 222-5123 or (800) 533-6282
TTY: (617) 222-5415
Fax: (617) 222-6119
Email: theride@mbta.com
Web: www.mbta.com/traveling_t/disability_index.asp

The Ride is the MBTA's para-transit program, which provides accessible transportation to eligible people who can not effectively use public transportation because of a visual, physical, cognitive or mental disability.

**Massachusetts Assistive Technology Loan Program
Easter Seals MA
484 Main Street #600
Worcester, MA 01608**

Phone: (508) 751-6431
Fax: (508) 751-6444
Web: www.massatloan.org

The Massachusetts Assistive Technology Loan Program assists individuals with disabilities and their family members in securing financing to help them afford those devices they need to live independent lives. Assistance is provided throughout the loan process, and the program is able to provide different types of help dependent upon each individual's unique circumstances.

**Massachusetts Commission Against Discrimination
(MCAD)
One Ashburton Place, Room 601
Boston, MA 02108**

Phone: (617) 994-6000
Fax: (617) 994-6024
Web: www.mass.gov/mcad

MCAD mission is to ensure equality of opportunity by enforcing the Commonwealth's anti-discrimination laws in employment, housing, public accommodations, credit, mortgage lending, and education.

The Commission works to eliminate discrimination and advance the civil rights of the people of the Commonwealth of Massachusetts through law enforcement (filing of complaints, investigations, mediations and conciliations, hearings and litigation) and outreach (training sessions, public education, and testing programs). The Commission also reviews and advises the Governor's Cabinet Offices concerning the state's affirmative mandates in employment, housing, construction contracting and minority and women business enterprises.

Massachusetts Office on Disability (MOD)
One Ashburton Place, Room 1305
Boston, MA 02108

Phone: (617) 727-7440 or (800) 322-2020

Fax: (617) 727-0965

Web: www.mass.gov/mod

The Client Services Unit of MOD provides information and referral and advocacy to assist people with disabilities in all aspects of life including vocational rehabilitation, independent living, housing, transportation, architectural and communication access. MOD houses the federally mandated Client Assistance Program. The Community Services Unit provides training and technical assistance to ensure that people with disabilities have equal access to their communities.

Professional Preparation Programs & Support Organizations

Association of Massachusetts Educators of Students with Visual Impairments (AMESVI)
Carroll Center for the Blind
